PASTOR’S CORNER

God blessed them; and God said to them, “Be fruitful and multiply, and fill the earth, and subdue it; and rule over the fish of the sea and over the birds of the sky and over every living thing that moves on the earth.” – Genesis 1:28

One of the first blessings of God to man after creation is for man to “rule over” all the animals HE has created. It further means that God blessed man with enough skills to rule over all the animals. Such skills therefore are from God and not from man himself. May today’s Rodeo Sunday be a reminder that the skills we have wherein we experience empowerment are blessings from God and they should be used for God’s Honor and Glory alone.
